The book “Food and Drug Alucinatum for Human Soul” has been retrieved from a USB Thumb Drive which was “**Lost and Found**” in Overby of Gjovik, written by someone called “The Wandering Jew”. According to the Holy Bible, The Wandering Jew has been walking for the last two thousand years, and he cannot stop until the Second Advent. To find what Jesus meant by “Man cannot live with bread alone” and what are the others, “The Wandering Jew” became infatuated like Eva, being eager for eating the fruit of knowledge, and infatuated like Pandora, being curious for opening the mysterious box.

At last, just a few decades before the Second Advent to come in the year 2060, as Isaac Newton calculated, “The Wandering Jew” has come to learn what are the items in addition to bread without which man cannot live and man needs to feed the soul. Some of these undetectable and immaterial food and drug for our souls were used by our ancestors. Such food and drug items exist in **Holy water, Holy smell, Holy sign, Holy sight, and Holy sound.** “The Wandering Jew” named the immaterial ingredients in all of such items as “**Alucinatum**”.

The intake of **Alucinatum** makes us romantic and keeps us optimistic in hopeless situations, and enables us to overcome or lessen the fear and agony of death. In the three stages of grief: *Shock, Rage, and Reconstruction*, **Alucinatum** is the best resort to console us. In want of an **Alucinatum**, life becomes hopeless, disgraceful, and of comparatively shorter in length. On the other hand, a gross intake of an **Alucinatum** at a time can be fatal as water-poisoning, and that can make one a murderer, a martyr, or both.

Walhalla: Eternal home of the **Soul**

The Wandering Jew

The selfish DNA can instinctively inspire one to sacrifice his/her own life for the sake of two siblings or eight cousins through secretion of oxytocin hormone. Vis-a-vis, *Vital Alucinatum Delusion* can revive an illusion by nine lives to make someone willing to sacrifice all that one has for the benefit of a group of people whose souls are fed with the *Supernal Alucinatum* items of *Paganism, Utopism, Dogmatism* or *Patriotism*.

Subject Classification of the book: *Sociology and Phenomenographic Pedagogy*
